The product and service was excellent and I look forward to our next meeting.

Christine Wilkinson, Headmasters Secretary, April 2005 Fabulous Fish! The fish and chips for our end of term staff function last evening were absolutely fabulous. FISH & CHIP REVIEWS

2005, 2006, 2007 Metro Magazine - Winner Best Fish & Chips!

New Zealand Herald - Viva October 2007 2007 Annual Gourmet Takeout Awards - Best Fish and Chips. Viva recommends Mt Eden Village Fish Shop.

Metro Magazine - April 07 Our next favorites are from Mt Eden Village Fish Shop which we've praised in these pages before. Recently, we ordered a bag of chips, which were beautiful and golden; we took them home and scoffed with a rocket salad. The chips - half eaten before we left the village - were crunchy on the outside, fluffy on the inside and piping hot.

Edible Auckland - Jennifer Lee They are well known for their quality fish and chips, with the fish cooked in a crispy beer batter alongside chunky-cut chips.

Metro Magazine December 2006 At the Mt Eden Village Fish Shop the burnished beer batter is actually good. What's more, the fish is in primo condition and the fries are great and plentiful.

New Zealand Herald, Timeout June 2006 For crisp, battered fish and thick, golden chips you can't go past The Mt Eden Village Fish Shop.

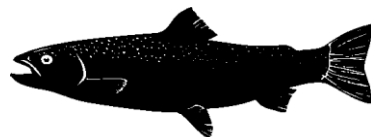

New Zealand Herald, Viva, May 2005 Pieces of fish are enormous. The batter is dark, gold and sweet. The chips are golden kidfingers.

Metro Magazine February 2006 The pieces of fish are enormous and succulent and the beer batter is dark gold and sweet. We like the newspaper wrapping.

Peta Mathias 'A Cook's Tour of New Zealand' December 2005 Stephannie and Mario Dean make the best fish and chips in Auckland. Their chips are straight cut and large, the beer batter is light and everything is cooked in cottonseed oil. Every night the oil is filtered and the fryers are drained, scrubbed and cleaned. One of their secrets is to drain the fried food properly then wrap it carefully in two sheets of white newsprint and two sheets of newspaper.

Auckland Max magazine July 2005 The Mt Eden Village fish shop has been serving hungry locals (and those willing to travel for a good feed of fish 'n' chips) since the 1920s. Food is cooked in cholesterol free cottonseed oil and coated in a light beer batter. Don't forget to grab a couple of pots of their homemade aioli.....we think it's even better than Burger Fuel's.

The Sunday Star Times, Sunday Magazine, May 2005 Everyone needs a good fish shop. Fish shops don't normally smell good - this one does. Owners Mario and Steph do everything well - and sell the best fish and chips in town.
